- Emergency and scheduled requirements

## Sustainable Waste Management

We provide safe and compliant sewage removal using modern vacuum trucks and trained personnel. Our services cover:

- Waste segregation at source
- Recycling and reuse practices
- Safe disposal of non-recyclable waste
- Compliance with environmental regulations

# PORTABLE TOILETS & TOILET CONTAINERS

## Portable Toilets

Our hygienic and user-friendly portable toilets are ideal for:

- Construction sites
- Outdoor events
- Remote locations
- Temporary camps

## Portable Toilet Containers

We supply durable toilet containers equipped with:

- Wash basins and ventilation
- Easy-to-clean interiors
- Weather-resistant structures
- Regular servicing and maintenance

# PORTABLE CABINS & INFRASTRUCTURE SOLUTIONS

## Portable Cabins

Our portable cabins provide flexible space solutions for:

- Site offices
- Staff accommodation
- Security cabins
- Storage units

## Key Features

- Strong and durable construction
- Electrical and plumbing options
- Customizable layouts and sizes
- Suitable for short-term and long-term use

# SKIP CONTAINERS, SKIP BINS & WASTE HANDLING

## Skip Containers

We offer skip containers in multiple sizes for efficient waste collection from:

- Construction and demolition sites
- Industrial facilities
- Commercial premises

## Skip Bins

Our skip bins are suitable for general waste, construction debris, and scrap materials, ensuring clean and organized worksites.

## Service Benefits

- Easy placement and pickup
- On-demand and scheduled services
- Well-maintained containers

# WATER SUPPLY SERVICES

## Sweet Water Supply

We supply clean and safe sweet water for:

- Drinking purposes
- Residential and commercial use
- Construction sites and labor camps

## Raw Water Supply

Our raw water supply services support:

- Construction activities
- Industrial usage
- Landscaping and cleaning operations

## Why Choose Us

- Complete utility and waste solutions under one roof
- Experienced and trained workforce
- Modern equipment and vehicles
- Strong focus on hygiene, safety, and sustainability

## OUR CLIENTS

Awsol Advanced Contracting Company serves clients on a job-by-job basis and also on long-term service contracts.

Awsol enjoys an excellent relationship with all of its clients and continues to provide safe, efficient, cost effective solutions to the industry's service demands.
